

Oakwood Polled Shorthorns

22nd Annual Sale

Monday, May 2, 1960 - Ashville, Ohio

Only rarely . . . possibly once or twice in any ten year period . . . does there come on the scene a sire whose blood is so potent a new dynasty can be established. History proves that those breeders who have made use of such powerful blood produce top cattle for many years to come.

Oakwood has been fortunate. We have had several such sires in our career. It is our opinion, after observing his calves for three years, that the 1955 International Grand Champion, Creekland Lancer, is the most potent of all sires used here.

However, the real story is just now beginning to unfold. On the Sunday before our sale . . . and on sale day . . . we will show you calves by three different sons of Creekland Lancer. His sons reproduce the Lancer pattern with the same consistent stamp. Further evidence of this can be seen in the herds of those who are now using his first sons.

Nine Head ... All sired by Creekland Lancer x All either First or Second in Class at the 1959 International

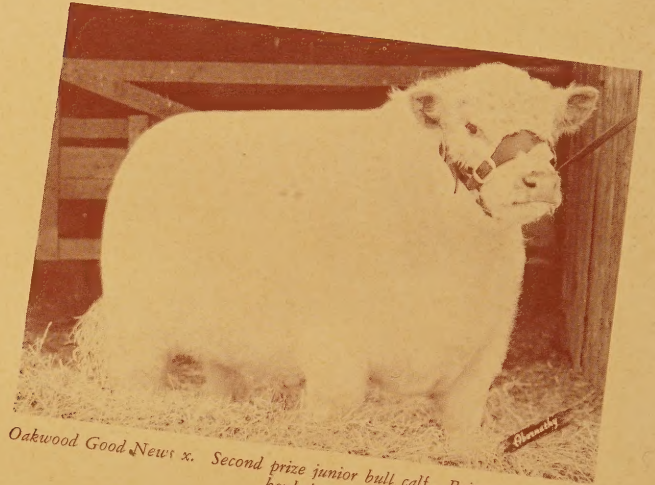

Oakwood Majestic x. Second prize senior bull calf. Now owned by Saraguay Farms, Saraguay, Quebec.

Lynnwood Lancer x. First prize senior bull calf. Now herd sire for Lynnwood Farms, Carmel, Indiana.

Oakwood Clara T 3d x. Reserve senior champion. Now a member of the Oakwood cow herd.

Oakwood Good Newt x. Second prize junior bull calf. Being retained as a herd sire.

Circlevue Lancer x. First junior bull calf and reserve junior champion. Sells as Lot 1.

Oakwood Lady Lavender 2nd x. First junior heifer calf. Stays at Oakwood.

Oakwood Commissioner x. First prize junior yearling. Now owned by Green Top Farms, Seymour, Illinois.

Circlevue Rosewood 9th x. Second prize summer yearling. Goes into the Oakwood herd.

Right, Oakwood Clara H. First prize junior heifer calf in the horned show, 1959 International. Yes ... we get a horned calf now and then ... we're happy they're good enough to stand up in the strongest horned competition.

Creekland Lancer x
1955 International Grand Champion

Proved ... His Blood Breeds On

As purebred breeders we must remember our greatest product is POTENCE. Your customers buy from you in the hope the animal selected will actually transmit his pattern to all his offspring.

Bulls that sire an occasional good one . . . good heifers but plain bulls . . . are of little value to anyone. Neither is the bull whose sons, however, attractive, are not potent enough to carry on into the next generation.

The show ring is far from the only yardstick. However, often it provides the forceful demonstration necessary to alert the public to a particular bloodline that is potent.

At left, you see nine different sons and daughters of Creekland Lancer that placed first or second in strong classes at the 1959 International Livestock Exhibition. Six placed first. Three were second, and in two of these three instances it was a half brother that stood above.

Welcome to Oakwood

On the occasion of our 22nd Oakwood Sale, we hope everyone interested in Polled Shorthorns will be with us.

To us, each sale offering represents a challenge. If we are to enjoy the approval of the buying public, we must offer cattle to justify that interest. We have had a lot of pleasure and satisfaction in seeing animals which we sold in previous sales "make good." They have been widely distributed and their influence has been reflected in the advancement of many herds.

The future of every herd rests in the herd bulls that are used. We know that the females to which these bulls are mated are likewise important — more, yes much more, than many breeders realize. In this sale offering we believe there are cattle to please and interest everyone.

It is very largely a Creekland Lancer offering. To us it is a pleasure to present his sons and daughters, for they are the kind we expected him to sire, when we first saw him, and came home owning him.

More important to us, is the fact that we have seen many calves sired by his sons, in other herds. They are the same Lancer type and kind. That is the true test of any sire. We have greater confidence in the worth of Creekland Lancer as an improving sire than any bull ever in service at Oakwood. We can show you calves at Oakwood sired by three sons of Creekland Lancer which will justify this statement. Come early and see them.

We are offering a group of brood cows, either with calves at side or bred to Lancer. These cows have done well for us. They don't owe us anything, for their calves have been included in previous Oakwood Sales. We have included cows that we know we should retain, but we want to keep a group of Lancer daughters and we cannot increase the size of our breeding herd. They are tried and proven and a study of the catalog will indicate the many herds in which their progeny are doing well. Usually only in dispersion sales are their kind offered.

The bulls are equal to the best we have sold. The daughters of Lancer include more of those we would like to keep than we have offered in previous sales, more of those from families that have produced our best bulls and best brood cows alike, over a long period.

We hope you will be with us on May 2nd.

Paul D. Hegardin

Six daughters of the International grand champion, Creekland Lancer x. Taken in the grove in front of the barns where the cattle will be displayed on Sunday.

Buffet Dinner Sunday Evening

We hope you will all plan to arrive at Oakwood by Sunday. During the day, all of the sale cattle will be displayed outside in grassy lots for best viewing. Many of the other members of the Oakwood herd will also be so displayed, including the first calves by three of the first sons of Creekland Lancer.

Sunday evening you are all invited to our home for a buffet dinner. This should be a good opportunity to visit with friends old and new. This year we have named The Lincoln Lodge as sale headquarters to hold the crowd together.

OHIO POLLED SHORTHORN BREEDERS' ASSN. SALE **MONDAY EVENING, MAY 2ND**

at nearby Circleville. Starts at 7:30 p.m. They have a good offering of 45 head in line — making nearly 100 head of quality Polled Shorthorns to be sold on May 2nd.

First prize junior get-of-sire, 1959 International.

Left to right, Oakwood Immaculate, now owned by Frank Dempster, Arlington, Iowa; Orange Blossom of Acadia, owned by Acadia Farms, Northfield, Ohio; and Oakwood Legionnaire, owned by Henry Barsetti, Galt, California.

1959 International

Second Prize Senior

Get-of-Sire Oakwood on Creekland Lancer

First Prize Junior

Get-of-Sire Oakwood on Creekland Lancer

In the 1958 and 1959 Oakwood sales 23 sons of Creekland Lancer averaged \$1,486. They have sold as high as \$5,700, but many cattlemen have taken home good sons of Lancer in the six, seven and eight hundred dollar bracket. Oakwood sales are sales for everyone that no one can afford to miss.

A Part of the Amazing Lancer Record in the All-Important Get-of-Sire Competition

First Prize Senior Get-of-Sire, 1958 International

Left to right, Oakwood Decision, now owned by Gallatin Farms, Triplett, Mo.; Oakwood Clara T 3d; Oakwood Legionaire, Henry Barsetti, Galt, Calif.; and Orange Blossom of Acadia.

Oakwood Lady Lavender 2nd; Circlevue Leader, Lot 1; and Oakwood Majestic, sold in the November sale to Mrs. W. C. Pitfield, Saraguay Farms, Saraguay, Quebec.

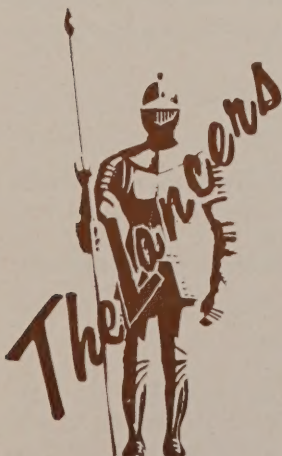

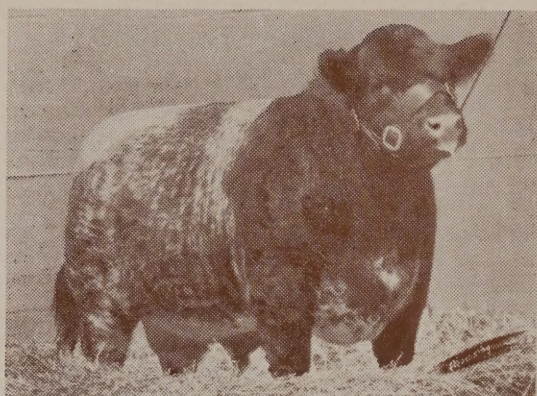

Second Prize Senior Get-of-Sire 1959 International

Below, Oakwood Lady Lavender 2nd; Circlevue Rosewood 9th; Oakwood Clara T 3d; and Oakwood Commissioner, sold in the April 1959 sale to Green Top Farms, Seymour, Illinois.

First Prize Junior Get-of-Sire 1959 International

Oakwood Immaculate x

Sold in the November Oakwood sale to Frank Dempster & Son, Arlington, Iowa, for \$2,000. This bull was a prominent show winner in 1958 and 1959.

Oakwood Guardian x

A half-interest in this promising young Lancer bull was sold to Bruce Hancock, Stone Mountain, Georgia. He has matured beautifully and will be used here. See him on sale day.

General Sale Information

LOCATION . . . Oakwood Stock Farm, Ashville, Ohio, 16 miles from Columbus. The new bridge is in use between the farm and U. S. 23. Turn left to Duvall off U. S. 23 at crossroads where Ohio 762 turns right, go to end of road, turn right, cross new bridge, turn left immediately to Madison School, turn right one-half mile to the farm.

TIME . . . Monday, May 2, 1960. Sale starts at 12:30 p.m. E.S.T. Lunch will be served.

HEADQUARTERS . . . We believe this sale will be more enjoyable to attend if everyone is able to stay in the same place. The Lincoln Lodge near Columbus is one of the finest in the country, with every possible service. To insure that your reservation is properly handled, we would like to make it for you. A map showing directions from the Lincoln Lodge to the farm is shown on page 12.

TRANSPORTATION TO FARM . . . We will be glad to see to it that you have the necessary transportation during your stay. This includes pick-ups at the airport, railway station, returns to there, and back and forth to where you are staying. A notice will be posted near the desk at the Lincoln Lodge telling you when cars will be going to the farm on sale day morning and the clerk there will have information as to transportation at other times during your stay.

FARM PHONE . . . Ashville, YUkon 3-5212.

BUFFET DINNER ON SUNDAY . . . Please do not forget we are hoping as many of you as possible can come on Sunday for a leisurely view of the cattle and a buffet dinner that evening.

GUARANTEE . . . All cattle sell under the terms of the Standard Guarantee endorsed by the American Shorthorn Association. All announcements from the auction block and information on printed sheets of breeding dates to be distributed sale day take precedence over printed matter in this catalog. Terms of sale are cash, all settlements to be made at conclusion of auction.

HEALTH . . . The Oakwood herd is Federally Accredited for T. B. and Bangs. Calfhood vaccination for Bangs is practiced.

LIABILITY . . . Each sale constitutes a contract between C. B. Teegardin & Sons and the buyer of each lot. The clerks, auctioneers, sale manager, were all retained for specific clerical and promotional duties and have no connection with the premises, handling of cattle, and can assume no liability whatsoever. Oakwood will make every effort to protect the safety and comfort of the guests, but can assume no liability for any accidents.

SALE MANAGER . . . Don Longley, 16 South Locust Street, Aurora, Illinois.

INQUIRIES ABOUT CATTLE LISTED . . . The sale manager or anyone connected with Oakwood will gladly answer, to the best of their ability, any question that may arise in the minds of prospective buyers as to the quality and breeding of any animals listed in the catalog.

(MORE GENERAL SALE INFORMATION APPEARS ON PAGE 12)

Orange Blossom of Acadia. Grand champion female, 1958 Ohio State Fair. This daughter of Creekland Lancer is a member of the great Acadia herd owned by Cyrus S. Eaton, Northfield, Ohio.

Consistence is the greatest measure of any herd . . .
Complacence is the greatest hazard.

Oakwood's consistent power is best measured by 21 annual auctions . . . a record not even closely approached by any other Polled Shorthorn herd. At each event they have been able to bring forward an offering appraised by the most critical of audiences at averages that have either been the top for the year or one of the top two or three.

Consider the power that must be behind a herd program, not only to do this every year, but to hold a sale in the Spring, scatter their best productions, and still be left with a fall show string that can compile the kind of record you have been studying in this catalog.

Paul Teegardin is not only one of the keenest judges I know, but knows inheritance from a lifetime of first hand study. No one travels more widely . . . and sees more. Oakwood cattle breed well because they are selected for background as well as individuality.

The sure road to herd ruin is to be complacent . . . to get in the frame of mind that no one can breed a bull good enough for you to use . . . or that someone, somewhere, doesn't have females that can help your herd. While Oakwood has used great bulls bred there, their search for herd bulls never ends . . . Creekland Lancer is a clear example of Oakwood's ready willingness to add a great bull any time he is available.

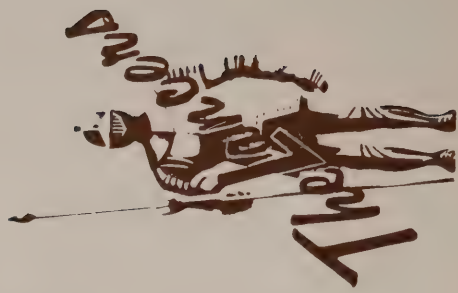

The same holds true of females. Every female purchase is made with the thought that she is good enough . . . bred well enough to stay at Oakwood. Oakwood is not a large cow herd. To hold this annual sale it is necessary to purchase females each year. Thus, the Oakwood female offering is always a combination of Oakwood's best . . . and the top open heifers that are offered for sale throughout the nation.

Don Longley, Sale Manager

THE SHORTHORN WORLD

These sons and daughters of Creekland Lancer won the Get-of-Sire at the 1959 Ohio State Fair.

all sell May 2nd

This is what concerns you most . . . the cattle that sell, May 2. We believe it to be the strongest offering of all of our 22 sales. Six sons, three grandsons of Creekland Lancer sell. Fourteen daughters are in the sale. Most all of the other fine females carry Lancer service or have a Lancer calf at foot.

Pictured here are ten that sell. We had fully intended to have twice as many pictures taken, but on the afternoon John Abernathy was here a blizzard struck and there was no hope of let-up.

Note the uniform look of these Lancers. Of the ten, seven are by Creekland Lancer, three by his sons. The calves by Lancer sons are every bit as good as those by the Lancer himself. Without prior knowledge, we doubt if anyone could pick out the three by his sons.

Oakwood is sharing their best with you . . . and we hope you can be on hand to take home your share of this potent blood.

Oakwood Clara J x

Oakwood Hope 14th x

Creekland Lancer at nine months.

Something to think about . . .

We do not contend that all material written in sale reports, show reports, etc., is prophetic, but it is interesting to look back upon what was said in the past.

For example, the following footnote appeared in the Creekland sale catalog for their April 2, 1955 sale in which a ten month old bull calf, Lot 3, Creekland Lancer was described . . .

"Creekland Lancer x — This is a show bull, perfect in style and balance, with great depth of body, short legs and a grand head. His dam was reserve champion at the 1952 Indiana State show and sale, and her sire, Hilldale Collynie 8th x was an International reserve champion. Louada Developer adds the blood of the famous Kirkton Baronet. This should be a great breeding bull."

In the report of this sale that followed in the April 15, 1955 issue of *The Shorthorn World* it was said . . .

"The real eye stoppers, and what folks had traveled hundreds of miles to see, were the Creekland bulls. These burly youngsters were stalled in newly built pens near the parking area. It was difficult to leave this

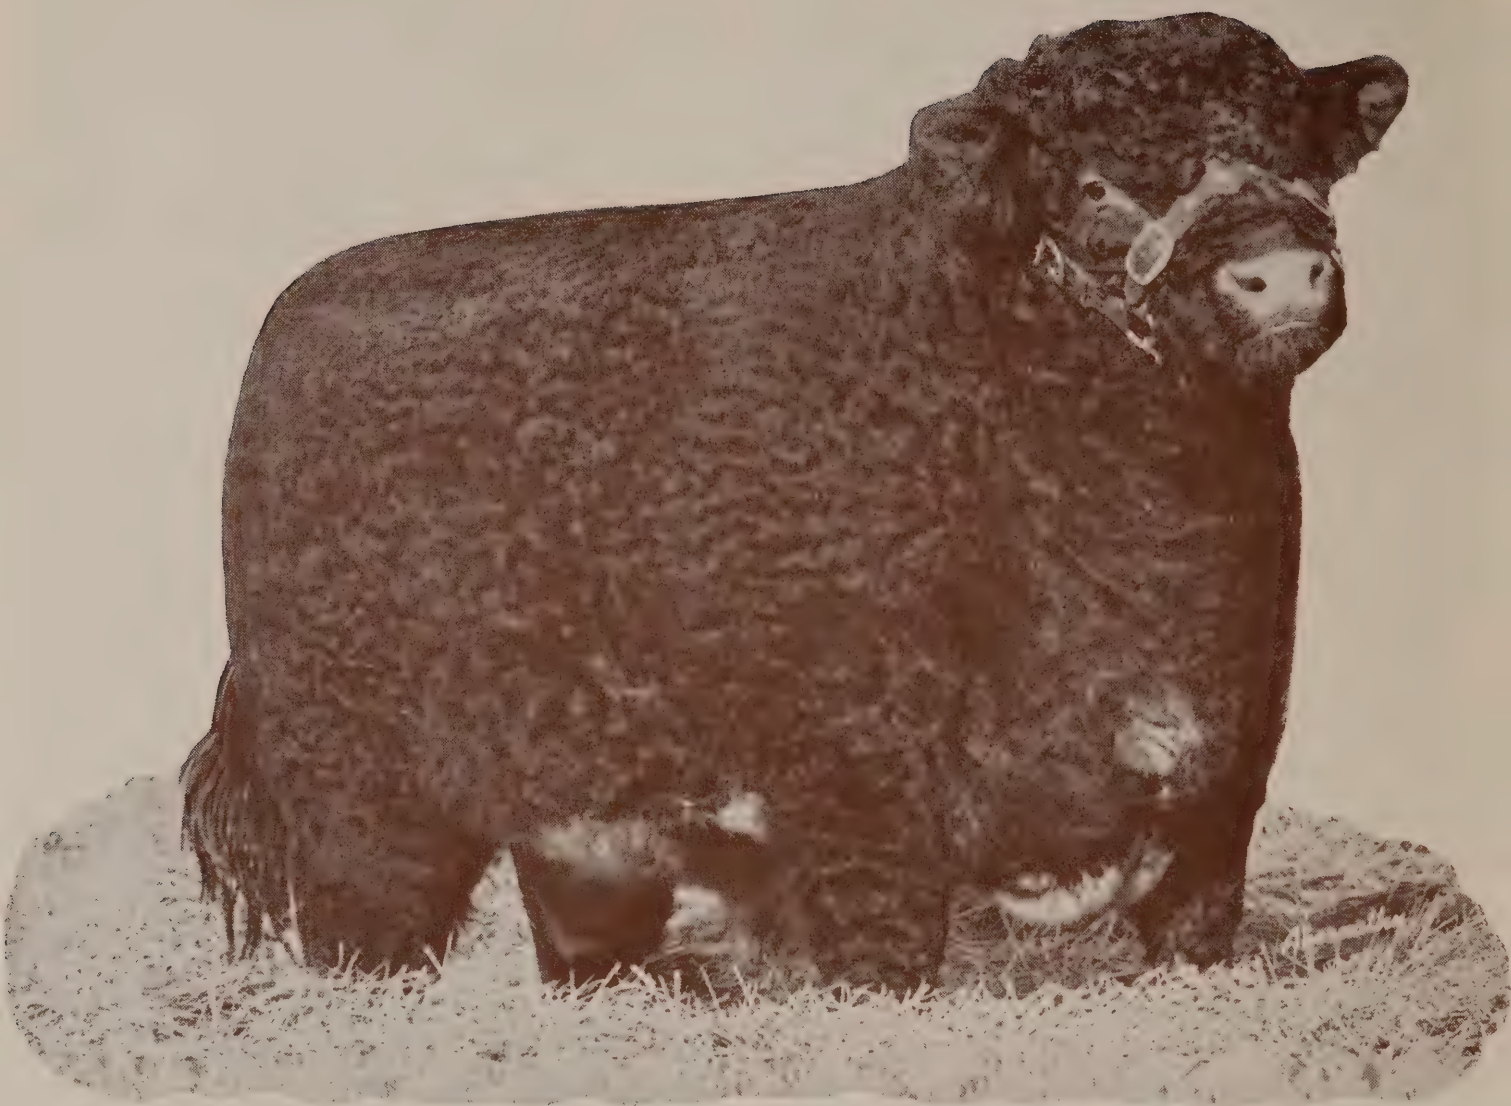

group to see the rest of the cattle. Jim McLean, Snowdown, Alabama, was lending a hand with these bulls and the crowd almost wore him out with requests that this one, then that one be paraded.

"On few occasions has the writer seen a May calf more pleasing than Creekland Lancer. To paint a word picture of him would be to describe the near-perfect calf. He had tremendous width and depth of quarter, a level low flank, great quality of hide and hair coat. He is short coupled, yet possesses ample size and grand depth. He stands squarely on short, sturdy legs, and has a grand head.

"This bull started the sale and quickly passed the \$1,500 mark. In the running were R. R. Johnston, Dancy, Alabama; Herb Weber, representing Landen Farms, Foster, Ohio; James McLean; and Paul Teegardin, representing Oakwood Farms, Ashville, Ohio. The final bid of \$2,050 was placed by Teegardin, who saw the bull for what he was and backed up his judgement."

In a later comment on this purchase the same writer said, "Of all those present at the Creekland sale, who could have used this bull, Paul Teegardin was perhaps in the strongest position with herd bulls at home. It is a clear example that any leader who wants to stay that way never can afford to stand pat when he sees an opportunity."

We do not claim super-judgement and we recognize that the purchase of such a bull is mingled with a lot of luck. Maybe we were just in the right mood that day — but we try to stay in a receptive mood towards herd improvement at all times. In breeding one must always maintain the long range outlook. 1954 was not a year of rising cattle prices. The peak came along in about 1953 and prices were on a downward trend at the time we bought Lancer. No long range breeding program can be built solely upon the optimism that all have at the peak points of cattle price ranges.

32 different animals have been shown on the first fourteen pages of this catalog . . . every one has been a Lancer! Many more Lancers are pictured elsewhere in the catalog . . . powerful evidence of the new Lancer Dynasty.

CREEKLAND LANCER

**OAKWOOD
GOOD NEWS**

We are keeping this Lancer son for service at Oakwood. It is our intention never to lose the Lancer influence. In addition to this bull, we have maintained interests in several other Lancer sons that have been sold. Oakwood Good News stood second in the junior bull calf class, 1959 International to his half brother, Circleview Lancer, Lot 1 in this sale. See them both, May 2.

The 1955 International Grand Champion, as a summer yearling, sire of many champions already . . . his first sons indicate there will be even more Lancer champions in the following generations. Through his great imported-in-dam sire, he incorporates into today's leading Polled Short-horns, some of the most successful blood used in Scotland in the past fifteen years . . . Kirkton Baronet, Calrossie Highland Leader and the great Millhills females.

His dam was a grand cow, being the reserve grand champion of the Indiana State Show and Sale. Her sire is the well known International reserve grand champion, Hilldale Collynie 8th, used at Cooper Farms. Alauna Collynie, 1946 Polled Congress grand champion, was the sire of many champions including the 1951 International grand champion, Hilldale Collynie 60th. Edellyn Royal Leader 24th was by Edellyn Royal Leader and out of Edellyn Broadhooks 13th by the Perth champion, Calrossie Mercury.

*The LANCER DYNASTY is based on championship
individuality, championship background, and
championship performance !*

Oakwood Gladiator, another Oakwood bred champion that is in service at Oakwood. 1957 International Reserve Grand Champion. A one-third interest in this \$15,000 bull was sold last year to Dr. and Mrs. John Cuber, Galena, Ohio, to head the outstanding herd they are building. (Unretouched photo).

One of the most popular bulls ever to occupy a box stall at Oakwood is Oakwood Gladiator, 1957 International reserve grand champion. This son of the \$6,000 imported Lawton Benefactor, has an important role in our program. His dam is a full sister to Oakwood Predictor, 1951 International reserve grand champion. The granddam is by the 1941 International grand champion, Coronet Command; the third dam by the 1940 International grand champion, Oakwood Commander, and the fourth dam is a maternal sister to the dam of Cherry Hill Royal Oak. Three of his first daughters sell in this sale.

A true beef bull from end to end with bone, substance, a good head, and great fleshing.

They Also Assist Creekland Lancer x

*Circlevue
Leader
1954
International
Reserve
Grand
Champion*

This eight year old bull is still going strong, for which we are very thankful. We have found his daughters nick especially well with the Lancers and hope to be able to put a few more back in the herd before he is gone. He has had a good record as a sire, siring the 1958 Congress champion bull, among others. A son of Oakwood Leader, his dam is by the 1946 International reserve grand champion, Alpine Sensation, and his granddam was a granddaughter of the 1936 International grand champion, Oakwood Emperor. Besides his International championship he garnered a long string of State Fair championships.

Oakwood Regulator

Shown holding Oakwood Regulator, is Harvey "Red" Ferguson, a vital factor in the Oakwood herd operation. He has been with Oakwood for 18 years. A fine friend and one of the greatest cattlemen in the business, his experience and judgement not only play a big part in the care of the cattle, but also in the decisions made in the breeding program. Talk to "Red" . . . he'll be happy to give you his critical opinion of the cattle.

The bull he is holding, Oakwood Regulator, was the undefeated junior yearling 1955 Ohio, Illinois, and International. He's by Commander-in-Chief and is out of a daughter of Edelyn Supreme Mercury, one of Calrossie Mercury's best sons. He's at Oakwood to stay.

CIRCLEVIEW LANCER: The Reserve Junior Champion bull at the 1959 International, the only time shown. He topped the class of 16 Junior bull calves.

A wealth of natural thickness, great hide and hair coat. He is rugged in his bone, thick-quartered, wide topped and full in his chest. Legs out on the corners. He has continued to do well, having been used liberally. His full brother, red in color, is of the same pattern. You'll want to see him too.

His dam, his granddam, and his great-granddam by the International Grand Champion, Lee Dale Collynie are all cows of correct type, ideal colors and heavy milkers.

We want to reserve frozen semen from Circlevue Lancer for we believe strongly in his potential to sire winners.

OAKWOOD FORTITUDE: Grand head, great bone, ruggedness and his legs set right. great bone, ruggedness and his legs set right. He has balance end to end — long quarter, deep flank, rich dark color and a sappy hide. He's the first calf sired by Oakwood Decision and he is ample proof of the ability of Creekland Lancer's sons to breed on! His dam is by the 100% dehorner, Oakwood Determination, sire of the dam of Lynnwood Lancer, first at the International, Denver and Fort Worth shows for Lynnwood Farm. Oakwood Commissioner, first prize Junior yearling at the International and Grand Champion at Illinois State Fair for Green Top Farm, Seymour, Illinois, is also out of a dam by Oakwood Determination.

OAKWOOD CORNERSTONE: A calf with no bad fault and a lot to please you. His dam was good enough to stand second in horned competition at the Kentucky State Fair as a Senior calf in 1958. His sire topped our April 1958 Sale at \$5700, going to Henry Barsetti, Galt, California. His granddam produced Commander-in-Chief and Oakwood Leader, two of the most successful sires we have used. She also produced the \$4000 Oakwood Benefactor sold to To-Lani Farms, Stone Mountain, Ga. She's 18 years old and we are hoping to get another Lancer calf from her.

He's a typical Lancer kind, good headed, deep flanked, wide butted and level. He is worth waiting for!

OAKWOOD CLASSIC: A top prospect anyway you look. Balanced, true in his lines, ample scale, bone, deep flank, leg on each corner. Good headed — looks a dehorner. His sire, the 1955 International Grand Champion Bull. His dam, Oakwood Gladness was the 1950 International Reserve Grand Champion female. It was the Lady of the Meadow family that produced the best stock bulls for the late J. H. Miller. He has seven polled dams backed by Oakwood Emperor, Lord Collynie, Sultan's Creed and Golden Gauntlet, each an International Grand Champion. We believe such a blend of International Champions would warrant his promise to **BREED ON.**

TULLEEVIN CITIZEN: A true Lancer kind. Good headed — deep sided, great rear flank, full quartered, lots of bone — a show prospect. Tulleevin bought his dam in the 1957 sale and she's a top daughter of Oakwood Determination. This makes Tulleevin Citizen a three-quarter brother to Lynnwood Lancer, first at Chicago, Denver and Fort Worth for Lynnwood Farms, to Oakwood Commissioner, Grand Champion at Illinois for Green Top Farm, Seymour, Illinois, and to Oakwood Flora 15th, Grand Champion at Ohio State Fair . . . all sired by Creekland Lancer and out of dams by the \$10,500 Oakwood Determination. He looks the part of a stock bull and he's from a family of cows known to produce stock bulls. (Note: That's snow on his head — he hasn't any pale hair).

5 out of 8

*first prize winners
in individual

at the 1959 International

Were Sired By

Creekland Lancer

At the 1959 International, sons and daughters of Creekland Lancer were exhibited in eight individual classes. In five of these a Lancer placed first. They also won seconds in three classes . . . and, when the bulls were led out for junior championship, five of the eight were sons of Creekland Lancer.

OAKWOOD HOPE 14TH . . . might well be the most valuable female we have sold. Her dam is the last daughter of Oakwood Hope 5th—easily one of the best brood cows we have even owned. Her first daughter went to Cherry Hill Farm; her second to Fred Smalstig; her third Oakwood Hope 8th, 1948 Grand Champion female, stayed at Oakwood. Each distinguished herself as a producer of top calves. Both top females in our April 1959 sale were of this family — Oakwood Merry King was the 1939 International Grand Champion. Oakwood Hope 2nd was the dam of Oakwood Commander, 1940 International Grand Champion and the \$4000 Oakwood Lieut. Commander, exported to King Bros. in South Africa. We'd like to reserve the right to show her and mate her to the bull of your choice.

OAKWOOD CLARA J: A daughter of Oakwood Clara B, whose record of production has had few equals. Her first calf Oakwood Compensation, went to The Healeys, Foxdale Farm, Duluth, Ga., at \$2000. Her second, Oakwood Clara C, was the first prize senior heifer at the 1954 International, dam of Oakwood Clara F sold to the Healeys at \$2000 in the 1957 sale. Another son headed the Lefuse herd, Carthage, Ind. Next one went to Ralph Agle & Sons. A daughter went to Acadia Farms, Northfield, Ohio and was the second top in our April 1959 sale. Her daughter, Oakwood Clara E is the dam of two 1959 champions, the \$5000 Oakwood Commissioner and Oakwood Clara H — both first prize winners at the International. Commissioner was Grand Champion at Illinois and Mississippi State Fairs and Reserve Grand Champion at Ohio. Clara H was Grand Champion at the Ohio Futurity Show, Mississippi State Fair and Reserve Grand Champion at the Harrisburg, Pa. Shorthorn Show—topping her class nine times.

Maxwalton Clara was considered the top brood cow in the Maxwalton herd when it was dispersed. Her daughter has done equally well at Oakwood. Clara J should carry on that tradition.

OAKWOOD MAMIE MINE 6TH: She is a show prospect—short of age but amply fortified with promise. Her full sister was the winning Junior yearling at the Southeastern Fair, Atlanta, for George Miller, Thomaston, Ga., in 1959. Saw her last month and she will make a grand cow. Possibly our best Junior heifer calf is out of a sister. This family have produced good ones for a half century and this heifer speaks well for continued achievement.

These Heifers Sold Bred to Creekland Lancer in the 1957 Oakwood Sale

Oakwood Augusta Cestria. Purchased for \$4,000, 1957 Oakwood sale, by Lynnwood Farms, Carmel, Indiana. Sire, Oakwood Determination. Dam, Elmhurst Augusta 14th by Edellyn Modern Mercury.

Imperial Orange Blossom 20th. Purchased for \$850, 1957 Oakwood sale, by George H. Miller, Thomaston, Georgia. Sire, Redman's Imperial Chief 3rd by Oakwood Chief Topic.

Bar L Jealousy 2nd. Purchased for \$1,000, 1957 Oakwood sale, by Jack Carignan, Edmonton, Alberta. Sire, Wheatland Viking. Dam, Victoria's Success by Oakdale North Star.

Oakwood Missie 33rd. Purchased for \$1,550, 1957 Oakwood sale, by Mrs. W. C. Pitfield, Saraguay Farm, Saraguay, Quebec. Sire, Lawton Benefactor. Dam, Oakwood Missie 26th by Commander-in-Chief.

If a man invests his money wisely . . . it costs no more to have an outstanding herd of females, than it does to own "mine-run" cows. When you deduct from the purchase price of an Oakwood sale female, the value of the calf she is carrying, it doesn't take long to reduce what you have in her to beef levels and below. In many cases, the calf has brought more than the dam cost.

The four stories shown here are far from isolated examples. Remember . . . this could be YOUR STORY in 1961 or 1962. Our 1960 offering is almost entirely of Lancer blood . . . daughters of Lancer . . . heifers bred to Lancer . . . cows well along in calf to him or with his calves at foot.

The Oakwood cow herd is not large. Many breeders wonder how so many outstanding bulls can be produced in a herd of such size. The answer is we have been at it a long time and the herd is closely sifted to families we know will pro-

duce tops. They're what we often term the "worth owning" kind.

Because of the size of the cow herd, we do not produce here enough females for an annual sale. We pick a few top open heifers from other good sources. Those who have watched us buy know we prefer to pay strong prices for these because experience has proved that this kind does the best job of making money for us and for those who buy here. Thus, the Oakwood female sale is always a combination of Oakwood sharing its best female productions and the pick of open heifers sold throughout the country in prior sale seasons, and put in calf to bulls like Creekland Lancer. Such heifers bought at Oakwood have been "twice-judged" . . . at the time of our purchase . . . by you at the sale.

All Four Dropped Champions by Creekland Lancer

This is the calf Oakwood Augusta Cestria was carrying. He is **Lynnwood Lancer**, first prize senior bull calf, 1959 International; reserve junior champion, 1959 Indiana State Fair. He is being retained as a herd bull in the famous Lynnwood herd.

This is the calf Imperial Orange Blossom 20th was carrying. He is **Upson Lancer 2nd**, reserve grand champion, 1958 Illinois State Fair. We bought him from George Miller and sold him in the 1959 Oakwood sale for \$1,650 to George Woods & Sons, Frankfort, Indiana.

This is the calf carried by Bar L Jealousy 2nd. He is **Carig White Cloud**, reserve grand champion, 1959 Edmonton, Alberta Futurity, as a junior calf, in competition with some of the finest horned cattle in the world. Unretouched amateur snapshot.

We do not have a picture of the calf carried by Oakwood Missie 33rd. This was **Saraguay Missie**. She was the reserve junior champion of the 1959 Quebec Provincial show at Sherbrooke, where 22 leading horned and polled herds competed.

OAKWOOD MISSIE 38TH: A thick correct kind from a family that consistently produce that way. She's a Lancer daughter from an Oakwood Determination dam — That's the way Oakwood Commissioner, Oakwood Flora 15th, Oakwood Clara H and Oakwood Hope 14th are all bred. That gives us a feeling she'll be a good one too.

Oakwood Flora 15th and **Oakwood Clara T 3rd**, first prize pair of females 1959 Ohio State Fair. Both by Oakwood Determination, making her a three quarter sister to Oakwood Missie 38th, Lot 19.

OAKWOOD DAINTY B: Full sister to the outstanding heifer purchased by Redwood Ranch, Belpre, Ohio, last year. We rate this heifer a better prospect. Her dam is a top cow. Her granddam topped our 1953 sale as an eight-year old cow and we consider her one of the best cows of the breed. It's that kind of a family, backed by bulls that made Maxwalton famous and bulls that have made breed history. Never fitted, just raised by her dam and looked out for herself.

OAKWOOD MISTLETOE B: Almost a show prospect — self made for she has never been pushed. Good headed, thick, lowset with plenty of timber under her. Her dam is doing just what these Edgecote Missie have done since we bought the foundation Maxwellton cow in 1925. They just produce good ones, milk well and give us a calf every year. Her granddam is one of the two best brood cows in the L & L herd. Four International Champion bulls may have had their influence — but it's still a "worth owning" family.

C H Red Lady. Sold in the 1952 Oakwood sale for \$2,000 to F. W. Smalstig, Pittsburgh, Pa. She is a full sister to the dam of Oakwood Red Lady, Lot 22.

OAKWOOD VENUS ROYAL: Dark roan, rugged, well grown — ordinary flesh — grown up the hard way — but a heifer to tie to for a breeding cow. Her dam was one of the top heifers sired by Juggler's King, a bull that made a great record for Pecharich Bros., siring numerous Illinois Champions.

RODNEY'S LEADER 29th

1959 International Grand Champion Bull. Owned by Pennsylvania State Univ. and Pendella Farms, Newton, Pa.

There is an interesting story behind the dam of the popular 1959 International grand champion, Rodney's Leader 29th. In 1944, when the late H. L. Straus was laying the foundation of his famous Cherry Hill herd, he purchased six females in the Oakwood sale for an average price of \$1,192. One of these, at \$1,000, was Glen Knolls Nonpareil, a heifer we had purchased and sold bred to Goshall Ximines. In the first Cherry Hill auction we bought the calf she was carrying when she left Oakwood, C H Nonpareil A, left her at Cherry Hill to be bred to Edellyn Royal Leader 2nd. The resulting calf was Oakwood Conqueror, used successfully here, and the sire of the 1952 International grand champion, S & G Admiration, and the winning junior get that year.

Glen Knolls Nonpareil proved to be one of the best brood cows at Cherry Hill. Among others, she produced the 1946 International reserve champion female. At the Cherry Hill Dispersion, she sold for \$1,900 to Pennsylvania State, bred to Edellyn Royal Leader 2nd. The heifer she dropped from this mating is the granddam of Rodney's Leader 29th.

Glen Knolls Nonpareil

OAKWOOD LAVENDER 32D: The only Lavender heifer in the sale and she's typical of her heritage. Big, roomy, one that looks like a brood cow. Her granddam was the result of mating two International Grand Champions — Oakwood Emperor and Oakwood Lavender 10th, both sired by the International Grand Champion Oakwood Royal King.

Oakwood Predictor, 1951 International Reserve Grand Champion. He is a full brother to the dam of Oakwood Gladiator. Three of the first calves by Oakwood Gladiator sell. See lots 25, 26 and 29.

NONPAREIL OF OAKWOOD 6TH: A dark rich roan daughter of the \$15,000 Oakwood Gladiator, owned in partnership with Dr. and Mrs. John Cuber, Galena, Ohio. Her dam is a big, thick daughter of Hillholm Nonpareil 2d, that consistently produced top calves including the 1958 Polled Shorthorn Congress Grand Champion bull, Oakwood Nomination. There's more than "meets the eye" in these heifers that haven't been pushed — and here's one that will prove the statement.

The Pattern, many times a champion in 1958 and 1959. Used in the Oakwood herd as a junior herd sire and recently sold to Sanger Farms, Hickman, Kentucky. He is the sire of Lot 30.

BRAFELDYS ESTELLE 2D: We have three daughters of Oakwood Gold Bond — thought they would nick well with Creekland Lancer. This is the only Estelle in the sale. A family that has done well for everyone — third dam a many times champion, and full sister to the 1936 International Grand Champion Oakwood Emperor. Grand dam worked for Oakwood 16 years — creditably. This heifer has a spot in an eye, but she can see OK.

Oakwood Juliana B, one of two daughters of Willow Lee Jilt 2d owned by Fred Smalstig, Pittsburgh, Pa. She left Oakwood carrying the second prize senior heifer calf at the 1959 Harrisburg, Pa. show. Lot 33, Oakwood Juliana D is out of the same dam.

Dark Roan, James Durno

OAKWOOD JULIANA D: This is the most promising daughter we have had out of Willow Lee Jilt 2d, and she has produced good ones. Fred Smalstig, Pittsburgh, Pa., has her first two daughters, and he considers them the two best cows in his herd. Oakwood Juliana B was carrying the second prize senior heifer at the 1959 Harrisburg, Pa. Show when she left Oakwood. She has another of the same promise for 1960 shows.

The old Juliana cow is certainly among the great breeding cows that ever came to America. Her daughters have made top brood cows in every herd fortunate enough to own them. Her sire, Calrossie Sweepstakes, sired a Perth Supreme Champion and the celebrated sire Edellyn Royal Leader 2d was out of another daughter of Calrossie Sweepstakes.

Juliana D is a show prospect. A 1960 model of proven inheritance.

GREENLEO MAMIE 2D: One of the dependable cows — never fails to produce a good one. Moreover, this Orange Blossom family have been doing just that for over a half century in the Hunt herd. See her heifer calf selling. Remember her daughter that went to Geo. Miller in our 1959 sale at \$1000 and topped the Junior Yearling class at Atlanta? Also, her son, Oakwood Correct Design went to J. F. McNall & Sons, Samuels, Idaho in the 1958 Sale — where he's siring great calves — all these were by Creekland Lancer and she's rebred to him again.

A daughter of Greenlea Mamie 2d retained at Oakwood has a Lancer heifer calf that looks like our best Junior prospect.

GREENHILL ROSEWOOD . . . is a dark roan daughter of Oakwood Imperial Chief. Few bulls have sired more good brood cows. Her dam is by the 1942 Congress Grand Champion and a paternal brother to Alpine Sensation, Reserve Grand Champion for Oakwood at the 1946 International. **Sells with a dark roan October heifer calf sired by Creekland Lancer** that leaves no doubt of her ability to produce a good one. Rebred to Lancer.

Greenlea Mamie 2nd, left, selling as Lot 36, and her sister **Greenlea Lavender 2nd**, that sold for \$2,000 to Hi-Ho Farms, Phoenix, Maryland. 1953 photo.

Abornathy

Many people have asked us why we didn't add more cow and calf lots to our Oakwood offerings. We are doing it this year for several reasons. First, we believe the public will welcome the opportunity to buy such lots. Secondly, we must save some of the daughters of Creekland Lancer, as he is getting on. Also, in 1959 we held two auctions, and we sold a few more heifers that year than is our normal practice.

We know the only way to do this is to do it right. We have gone into the herd and picked fourteen good proven producers — including the dams of some of our most prominent winners. These are the next fourteen lots in the catalog . . . and certainly one of the most valuable groups ever to leave Oakwood.

Oakwood Brigadier, \$7,500 top selling bull, 1955 Oakwood sale going to the Nissi herd in the Argentine, where he has sired many champions and tops. Oakwood Butterfly 11th, Lot 38, is a full sister.

OAKWOOD BUTTERFLY 11TH: She's one that ordinarily you only get to buy in a dispersal. She's in her working clothes and will calve before sale. She is a full sister to the \$7500 Oakwood Brigadier, sold in our 1955 sale for export to the Nissi herd in the Argentine, where he has sired numerous Palermo Champions. Her dam was the winning Senior heifer calf at the Illinois, Ohio, West Virginia and Maryland State Fairs. Oakwood Baron, our first International Grand Champion bull, was out of the foundation Butterfly cow purchased in 1921. Oakwood Nonesuch, easily one of the best bulls ever produced here, was another. This family has been good to us and this young cow will be good to her new owner.

Undeclared pair of yearlings in 1955, including the International, **Creeklund Lancer** and **Oakwood Clara T**. Oakwood Clara T sells in this sale as Lot 39.

KINTYRE PRINCESS ROYAL 3D: One of what we considered to be the three top producing cows in the Kenner Dispersion in 1955. We like her especially because she is sired by Scottish Peer, one of the breed's best bulls in his time. Moreover, she was a direct descendant of Edellyn Princess Royal 5th, top of an International sale.

She has always dropped a good calf for us and she raises them well. A daughter is in the L & L herd in Alabama — a son, Oakwood Scottish Lancer sold to Mack Little & Sons, Cass City, Michigan at \$1000 and she has a **rich roan Sept. 1959 bull calf at side by Oakwood Gladiator.** Rebred to Lancer.

Freddy, reserve grand champion steer over all breeds, 1960 Pennsylvania Farm Show. Sold for \$1.31 per pound. Exhibited by Richard Rishel, York, Pa., and bred by F. W. Smalstig, Timberlee Valley Stock Farm, Evans City, Pa. This steer was sired by Oakwood Request. Lot 41 was also bred in the Smalstig herd.

TIMBERLEE'S FLORA C . . . A good headed thick cow of the Lady Carthcart Cluny Flora family. Her third dam was a grand champion at the Ohio State Fair and a sister to Flora Mia, who has given us so many good ones. Her first daughter is a top cow in Bruce Hancock's To Lani herd, Stone Mountain, Georgia and her second heifer has an outstanding Creekland Lancer heifer calf at Redwood Ranch, Belpre, Ohio.

Oakwood Polled Shorthorns have sold

Oakwood Brigadier. Purchased at the top of our 1955 sale, \$7,500, by Senora Esther Fernandez Nessi, Buenos Aires, Argentina. This son of Oakwood Landmark has been a highly successful sire in the Argentine, siring the 1957 Palermo Polled champions. He is a full brother to Oakwood Butterfly 11th, selling.

In 1956 Gregorio and Numo Werthein purchased three top animals from Oakwood. Two are shown above. Left, **Oakwood Manifest** and right, **Oakwood Happiness 15th**. Their produce won both grand championships at the 1959 Palermo show, Polled division.

Oakwood Bardolier

South America

At the 1959 Palermo show in the Argentine, a strong Polled group was displayed. Both grand champions of this division came from animals purchased at Oakwood by G & N Werthein. The Male Champion and Senior Champion was Wert Lancer, October, 1956 son of Creekland Lancer out of the heifer Oakwood Happiness 15th that left here bred to Creekland Lancer. The Female champion, Polled Shorthorn Calf Competition, was Wert Manifest 34, one of the first daughters of Oakwood Manifest.

South Africa

Two top Oakwood bulls have been used by King Bros., breed leaders in South Africa. Their first bull, Oakwood Lt. Commander was purchased in 1945 for \$4,000. He was by Oakwood Merry King and was a full brother to Oakwood Hope 5th, the granddam of Oakwood Hope 14th, selling in this sale. Their second bull, purchased at the top of our 1949 sale, \$3,400, was Oakwood Bardolier by Commander-in-Chief.

into 14 countries.....

Oakwood Mainstay

Australia

Oakwood Mainstay, International reserve champion, was sold for \$6,500 to the Kyalla Stud, New South Wales, Australia. He was sold in their dispersion after siring many tops, and at 11 years of age, is still active at Beau Front Stud Farm, West Australia. Kyalla also purchased Oakwood Hope 9th for \$2,650. Her son, Greenwich Fiction, by Oakwood Conqueror, turned out to be the top young sire in Australia, and when the Kyalla herd was dispersed he was sold as a six year old for \$4,500.

R. Inlge Brown of Australia bought four heifers from us. One was bred to Oakwood Determination. The calf she was carrying, Highland Determination was the first prize calf at the Royal Easter show. His first calf, shown at the Royal Easter show last year, and out of a daughter of Oakwood Conqueror obtained from Oakwood, topped the sale at 2200 gns., a record for a calf of his age.

Oakwood Hope 9th

Oakwood Myrtle 8th

Scotland

Boots Pure Drug Co., purchased Oakwood Myrtle 8th by S & G Admiration as a part of the Polled foundation being laid at Westdrums in Scotland. The price was \$5,000. She was the reserve junior champion at the International and was a daughter of Oakwood Myrtle 4th, first senior heifer calf, 1950 International. Recently Boots sold a top young Polled bull out of this cow to H. McCall Smith for the foundation of his Polled herd in Scotland.

Oakwood Scottish Lassie C. Sold in our November, 1959 sale to Acadia Farms, Northfield, Ohio. Kintyre Scottish Lassie, Lot 42, is her dam.

KINTYRE SCOTTISH LASSIE . . . I brought this cow to Oakwood from the Kenner Dispersion because I considered her yearling daughter to be the second best female sold. She has proven my confidence in her. A daughter went to the Dilatush herd in the Oakwood 1956 sale. Her son is the best breeding bull Fred Taylor, Como, Miss. has ever used, as he reported to me at the Mississippi State Fair. Next daughter was sired by Creekland Lancer and went to Willow Lee Farm. Last daughter went to Acadia Farm, Northfield, Ohio and she's due to calve May 1st, to Creekland Lancer.

NONPAREIL OF OAKWOOD 2D: She sold to Oakshade Farm in our 1952 sale as an open heifer. When that herd was dispersed we brought her back to Oakwood, along with her first daughter. A full sister is in the Bert Field's herd in Texas, another sister went to Dr. and Mrs. Stoll in the 1953 sale at \$1775.00. We have Nonpareil of Oakwood 4th here at Oakwood — a daughter is selling in this sale. The 1958 National Polled Shorthorn Congress Grand Champion bull was also out of Hillholm Nonpareil 2d.

Selling with a **roan heifer calf by Creekland Lancer** and rebred.

A snapshot that brings back old memories. It's now Dr. Paul W. Teegardin, D. V. M., and Carol is in college.

Some of the Oakwood Story . . .

To help new breeders avoid the costly mistake made by Oakwood in the beginning of our herd we relate the following story:

POLLED Shorthorns came to Oakwood in 1914, when we purchased a modest foundation of two cows (both with heifer calves) and a young bull. Each year, a small addition was made — all from the same source.

By 1919 we made our first show at the Ohio State Fair with a show herd of four head. We were quite heartened to carry off one first and one second against the seasoned showmen of the day. In 1920 we made a circuit of five state fairs, meeting reasonable success at each. However, at the conclusion of this circuit we were becoming aware that something was missing . . . just what it was we didn't know. Apparently, breeders became interested in our winners. However, as we proudly presented our pedigrees, their enthusiasm would wane! Usually they left to "think it over" and usually never returned!

We shall be forever grateful to J. H. Martz, Secretary of The Polled Shorthorn Society, on the occasion of his first visit to Oakwood. Very kindly he reviewed our herd and our operations. He felt he had no choice, but to tell us the truth. He liked our cattle as individuals but unfortunately every pedigree was of unknown and unheralded ancestry. We had found the answer to why breeders had left to "think it over" and forever not returned.

The ultimatum was — we had to start over.

The cost of this first experience was dear in both dollars and years. The disappointments were great. We resolved to pursue the desire to breed Polled Shorthorns and this time to lay the foundation with care.

We were exacting. The animals bought were good individuals; that was comparatively easy. However, we were critical of their breed-

30 YEARS AGO

ing, demanded that they come from families known to reproduce their excellence. Moreover, we sought animals sired by bulls known to sire outstanding bulls as well as females. We thought it was important — little did we know how very important this factor actually was. Cattle of such qualifications were never available at bargain prices.

After traveling many miles looking for the bull to head our new herd, we found Royal Count Jr. As a ten week old calf — he promised well, and he proved it by winning twenty championships and topping his class at the International in 1926, where a son was Junior Champion bull and where we won the coveted Get-of-Sire award.

Oakwood Baron, son of Royal Count Jr. was our first International Grand Champion Bull in 1927. In turn he sired our 1929 International Grand Champion Oakwood Rodney, exported to South America in 1930.

Oakwood Royal King, line bred in the blood of Royal Count Jr. was next elected to herd sire status. He became the 1930 International Grand Champion. Oakwood Royal King holds the unchallenged distinction of having sired the first prize Get-of-Sire at the International for five consecutive years. Twice his Get stood both first and second.

Oakwood Royal King also sired three sons and a daughter to win Grand Championship honors at the International! Oakwood Regent, 1934; Oakwood Emperor, 1936; Oakwood Merry King, 1939; and Oakwood Lavender 10th, 1938. The three sons were each used here as herd bulls.

20 YEARS AGO

First prize pair of females, 1941 Polled Short-horn Congress, the first one held. Shown by Oakwood, they were the two highest selling females of the day. Mayflower Maid 4th, left, went to Lynnwood Farms, Oakwood Happiness 4th to Moise Cerf, Dallas, Texas. They'd look good in a show ring today.

This picture was taken about fifteen years ago and shows the kind of cows in the Oakwood herd at that time. These are all daughters of three International grand champions, Oakwood Royal King, and his two sons, Oakwood Merry King and Oakwood Emperor.

TEN YEARS AGO

Our principal stock bulls at that time were Commander-in-Chief and Oakwood Leader, two great bulls out of the same cow, Lady Golden 5th. Above, Oakwood's ten head group, 1950 International . . . five by Commander-in-Chief, five by Oakwood Leader.

Oakwood Royal King was followed by his son Oakwood Emperor whose dam was a daughter of our first International Grand Champion and the grand dam an imported Estelle cow. We used another son Oakwood Merry King to intensify the influence of Oakwood Royal King. His dam was by the International Grand Champion Mardale. Oakwood Hope 2d, a daughter of Oakwood Royal King was the dam of Oakwood Commander, our 1940 International Grand Champion bull.

Our eighth International Grand Champion bull was Coronet Command, purchased as a yearling ahead of winning the Junior Championship in 1940. He was Grand Champion in 1941.

By 1943 we were looking for an outcross

ing privilege in our 1950 Sale and was a daughter of Oakwood Leader. A daughter of Commander in Chief, Oakwood Myrtle 4th, was the Reserve Grand Champion female.

To us a Oakwood it was a happy experience to have Oakwood Myrtle 4th mated to S—G Admirer and that mating produced the 1954 Reserve Junior Champion female at the International. This was Oakwood Myrtle 8th, bred by Paul Jr. and later sold at \$5000 to the Westdrums herd in Scotland, where she continues to breed on.

Circleview Leader, 1954 International Reserve Grand Champion and presently in service, is a son of Oakwood Leader. His dam sold in the 1950 Sale as a thin heifer for \$910.00. She was a daughter of our 1946 International Reserve Grand Champion, Alpine Sensation,

hide, and we came home owning him. He became our *tenth* International Grand Champion bull, winning that honor in 1955.

Our faith in Creekland Lancer has never wavered. What his calves have done at the many shows in Polled and horned competition in both 1958-1959 is a matter of record. Not since the days of Oakwood Royal King have we had a bull stamp his calves so uniformly.

The calves sired by Creekland Lancer's sons (and we have made an effort to see a lot of them) — leave no doubt that they carry the same Creekland Lancer stamp. To us, this is the acid test of a prepotent sire. Another observation is that he nicks with cows of different bloodlines and backgrounds, — with uncanny accuracy. That's the hardest test of all.

bull. That year we brought the \$5700 imported Gosshall Ximines to Oakwood.

exported to Australia in 1949, where he sired

We believe every great sire in history had

bull. That year we brought the \$5700 imported Gosshall Ximines to Oakwood. He was a son of a Perth Champion and line bred in the background of Oakwood Emperor's grand dam, imported Mibrig Estelle. His daughters became grand brood cows and his son, Oakwood Leader, was a most consistent sire of cattle that bred well, bulls and females alike.

We sold Commander-in-Chief as a bull calf in the 1944 Oakwood Sale. He came back here in 1948 at a long price—but proved easily worth it. He was out of the same dam as Oakwood Leader—and this pair of bulls bred equally well.

The 1950 International saw a son of Commander-in-Chief made Reserve Grand Champion and a daughter of Oakwood Leader was the Reserve Grand Champion female. The winning best ten head were sired by both bulls—five each.

In 1952, S—G Admiration, son of Oakwood Conqueror was the Grand Champion at the International. His dam sold with a breed-

exported to Australia in 1949, where he sired the top selling female of all time.

To carry on the tradition of Commander-in-Chief we have retained his best son, Oakwood Regulator, undefeated in class in 1955 shows. In 1953 we introduced another out-cross bull to bring in a fresh infusion of Scottish blood. We knew what we wanted and the combination of bloodlines we hoped we could find. Lawton Benefactor, the \$6000 grandson of both Kirkton Baronet and Kirkton Envoy, seemed the answer. We own him in partnership with Willow Lee Farm and he sired the 1957 International Reserve Grand Champion bull, Oakwood Gladiator. The dam of Oakwood Gladiator is a daughter of Commander-in-Chief and a full sister to the 1951 International Reserve Grand Champion bull, Oakwood Predictor. We share ownership of Gladiator with Dr. & Mrs. John Cuber, Galena, Ohio.

Next came Creekland Lancer, a ten month bull calf, from the Creekland Sale in April 1955. To us he represented most of the things we needed at Oakwood, all wrapped up in one

We believe every great sire in history had to inherit that right to become great. Two bulls may be alike to the eye—but the combination of genes carried in the bloodstream will enable one to become a top sire, the other to be relegated to the list of unknowns.

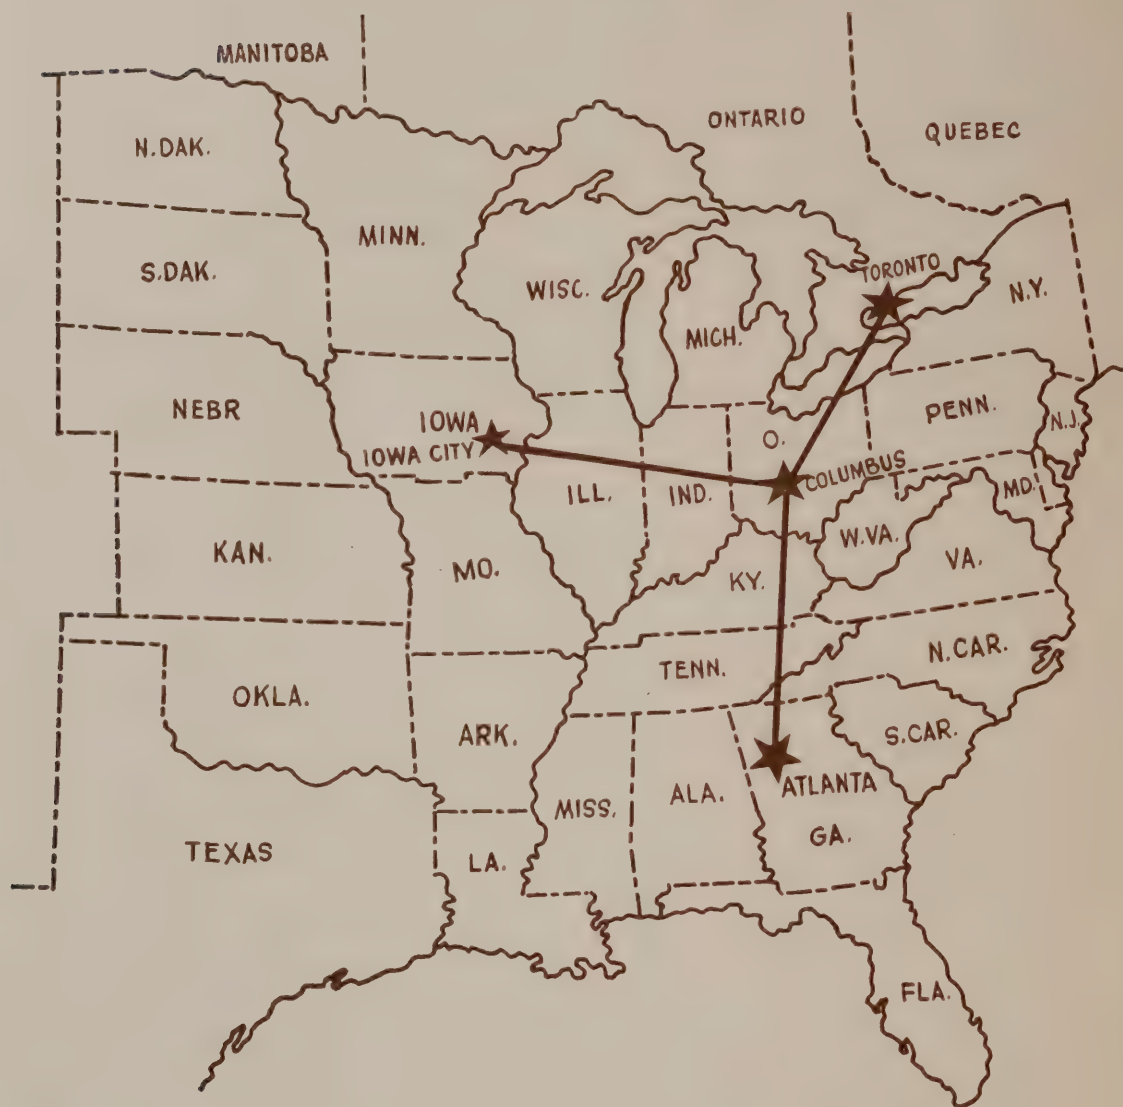

There is no magic formula. In this business everyone has the same opportunity to be successful. Top females as well as top bulls are mandatory—both from a known inheritance. That's where many fail in their efforts to breed improving cattle. See the animal with the eye—ascertain its potential worth by its pedigree.

In summary—the path to success must be twofold. Correct type and correct breeding must go hand in hand. Alone, neither can go far. Together, there is no ceiling to their success.

These sold in the 1957 Oakwood sale. Females of this quality have made Oakwood sales a "Mecca for Breed Improvement."

SPECIAL FREE DELIVERY OFFER TO THESE LOCATIONS

We want to make it as easy as possible for you to obtain Oakwood bloodlines. We will deliver via truck any purchases made in this sale to the following points: Iowa City, Iowa; Atlanta, Georgia, or Toronto, Ontario. We have found these points convenient for breeders in most sections. In some cases it actually puts their purchases a short ways from home . . . and in other cases it serves to make what might be a long trip shorter. In connection with this offer cattle have gone to nearly every section of the country.

First prize pair of bulls, 1954 International. Left, Oakwood Landmark x, a highly successful sire at Oakwood. Right, Circleview Leader x, still in service at Oakwood.
